Below the navigation, there is a section titled '教科等のページ' (Subject Pages) with a grid of subject categories: English, Foreign Language Activities, Information, Music, Physical Education/Health, Art, Home Technology/Family, Special Support Education, Agriculture, Industry, Business, Nursing, Welfare, and Moral Education. A red box highlights the link '家庭学習用ワークシート【臨時休業期間中・春休みの学習サポート】' (Family Learning Worksheet [Temporary Closure Period / Spring Vacation Learning Support]). A red arrow points from a text box 'ここをクリック' (Click here) to this link. The page also features a calendar for March 2020 and a footer with navigation options for elementary/middle schools, high schools, and other institutions.
